

Oral Master Examination - A how-to guide

1. Arrange date of examination with examiner.
2. Print form 1-A.
3. Fill out form: (i) Date of examination (top right corner) and (ii) Specialization submodules.
4. Arrange for examiner to sign the form (front page, bottom).
5. Come to the Examination Office no later than 1-2 weeks before the oral examination. The Examination Office will verify the contents and sign the form – the oral examination cannot be taken without both signatures.

Note:

The duration of the oral examination is within the discretion of the examiner and may range from 15 to 60 minutes.
